Brief Route Details / Points of Particular Interest

The route is quite varied and demanding. It follows the River Wye upstream from The Boat Inn for 1km before taking to the small steep lanes that cover the hillside up to the old church at Penallt. The route continues along a series of lanes and footpaths to the Inn at Penallt, which is situated on the old village green. A long descent down the lane brings up back to the river for the return to the Boat Inn and the car park.

Points of interest include the old church at Penallt, the old lanes and pubs.
